

# JOB OPPORTUNITY

## Graduate / Assistant GEOLOGIST OR ENGINEERING GEOLOGIST

GRM are pleased to announce that due to continued expansion and an increase in workload there is now an opportunity for a Graduate / Assistant Geologist or Engineering Geologist to join the team. The position is based at our head office in Burton on Trent, Staffordshire (DE14 2WH).

Salary from £20,000 per annum (dependent on experience).

DUTIES WILL INCLUDE (but not be limited to):

- The supervision and management of site investigations.
- Necessary site attendance to undertake ground investigation and assessment.
- Preparation of Health & Safety Documentation and assistance in the collation of all project related health and safety information.
- Supporting the Field Technician Team.

QUALIFICATIONS / EXPERIENCE:

- Minimum qualification of a degree in one of the Earth Sciences.
- Willingness to work outdoors, away from home and occasionally unsociable hours.
- Excellent written and verbal communication skills.
- Strong interpersonal / team working skills.
- Able to deal with and preferably enjoy the challenge of rapidly changing circumstances.
- Experience of British soils and geology, the ability to log soil and rock to current British Standards and experience of contaminated land assessment and geotechnical investigation would be an advantage but is not essential as full training will be given.
- Full UK Driving License essential (Category B manual gears).
- The successful applicant must be able to demonstrate their right to work in the UK.

In return GRM offer a unique working environment, career progression, 4 x annual salary Life Insurance, 4-6% matched pension, payment of a professional membership, 34 days annual leave, and payment of approved overtime. Further information about GRM and what it is like to work as part of our team can be found at:
