

GEOLOGIST OR ENGINEERING GEOLOGIST

GRM are pleased to announce an opportunity for a Geologist or Engineering Geologist to join the team at our head office in Burton on Trent. Salary from £27,000 per annum (dependent on experience).

DUTIES WILL INCLUDE (but not be limited to):

- A main emphasis on fieldwork for 2 years.
- The supervision and management of site investigations.
- Preparation of Health & Safety documentation.

QUALIFICATIONS / EXPERIENCE / SKILLS:

- Minimum qualification of a degree in one of the Earth Sciences.
- Minimum 2 years of relevant fieldwork experience (supervision and logging of site investigations in the UK)
- Willingness to work outdoors, away from home and occasionally unsociable hours.
- Fieldwork can be physically demanding so a good level of personal fitness is required.
- Excellent written and verbal English language communication skills.
- Strong interpersonal / team working skills.
- Deal with and preferably enjoy the rapidly changing situations.
- Experience of: British soils and geology, logging soil and rock to current British Standards, experience of contaminated land assessment, and geotechnical investigation.
- Full UK Driving License essential (Category B manual gears).
- The successful applicant must be able to demonstrate their right to work in the UK.

GRM OFFER

A unique working environment, an accredited training scheme towards Chartered status, 4 x annual salary Life Insurance, 4-6% matched pension contributions, payment of professional membership, 34 days annual leave, and payment of approved overtime. Further information about GRM and what it is like to work as part of our team can be found at:
